PROFILE

A motivated Marketing Management graduate with experience in administrative support, social media management, client communication, and website coordination. I help businesses and organizations stay organized, improve their online presence, manage inquiries, and support day-to-day operations with professionalism, attention to detail, and strong communication skills.

WORK EXPERIENCE

General Virtual Assistant

2025

Mortgage Broker

- Managed social media accounts including Facebook, Instagram, and LinkedIn by preparing posts, publishing articles, and supporting online outreach.
- Assisted with LinkedIn outreach and client engagement to help maintain professional connections and generate interest in mortgage services.
- Managed CRM tasks using GoHighLevel, including contact organization, lead tracking, follow-ups, and workflow support.
- Built and updated website pages using GoHighLevel to support marketing campaigns, lead capture, and client inquiries.
- Managed client emails and sent weekly newsletters to keep clients informed about mortgage updates, articles, and business announcements.
- Supported daily administrative and marketing tasks to help improve client communication and online visibility.

Administrative Assistant

2026

Non-Profit Organization

- Managed donor and contact records using GiveButter CRM, including updating information, monitoring donor activity, and supporting donor communication.
- Built and updated website pages using GoHighLevel to support campaigns, inquiries, and online engagement.
- Managed social media accounts including Facebook, Instagram, and LinkedIn by assisting with content posting and online presence.
- Handled organization emails and responded to donor inquiries in a professional and timely manner.
- Supported donor communication by helping answer questions, organize inquiries, and maintain clear records.
- Assisted with administrative, CRM, website, and social media tasks to support the organization's daily operations and outreach efforts.
