PROFILE

Result-driven marketing management graduate with a strong understanding of market research, branding, and customer engagement strategies. Seeking an entry-level position where I can apply my academic knowledge and passion for marketing to support business growth. Eager to contribute to a dynamic team and develop practical experience in the field.

WORK EXPERIENCE

Service Crew Mcdonald's Antlers

2018-2019

- Operated the cash register and POS system to take orders accurately and process cash, card, and mobile payments.
- Provided friendly, efficient customer service at the front counter and drive-thru.
- Communicated clearly with customers and team members to ensure smooth order flow and fast service times.
- Handled customer questions, concerns, and special requests professionally.
- Ensured correct order assembly and verified accuracy before handing orders to guests.
- Maintained cleanliness and organization in the cashier and drive-thru areas.

Skills Gained

- Customer communication
- Cash handling & POS operation
- Drive-thru service efficiency
- Problem resolution
- Multitasking in a fast-paced environment
